#### **Burney Fire Protection District Fire Board Commissioner Vacancy**

Applications are being accepted to fill by appointment two positions to the Burney Fire Protection District Board of Directors. These appointed positions will serve as appointed until the General Election, November 8, 2022. Because Fire Board member terms are staggered, these positions were vacated at different points in their terms already served. During the General Election, one position will be running for a two year term, and the other will run for the full four year term.

Applications will be screened by the current Fire Board and selected applicants will be interviewed at the March 15, 2022 Board Meeting. This meeting will be held at the Burney Fire Protection District office, 37072 Main Street, Burney.

Applicants must reside in the Burney Fire Protection District and be a registered voter. If you wish to apply for either position, please complete the "Board of Directors Application Form" and submit it to the District Secretary no later than March 8, 2022. The application may be picked up during business hours at the Burney Fire District office, or you may download it from our website at: [www.burneyfire.org](http://www.burneyfire.org). If you have any questions please call 530-335-2212.
