Burney Fire Protection District Fire Board Commissioner Vacancy

Applications are being accepted to fill by appointment one position to the Burney Fire Protection District Board of Directors. This appointed position will serve as appointed until the General Election in 2026. Because Fire Board member terms are staggered, these positions were vacated at different points in their terms already served. During the General Election, one position will be running for a two-year term, and the other will run for the full four-year term.

Applications will be screened by the current Fire Board and selected applicants will be interviewed at the December 20, 2022, Board Meeting. This meeting will be held at the Burney Fire Protection District office, 37072 Main Street, Burney.

Applicants must reside within the Burney Fire Protection District and be a registered voter. If you wish to apply for the position, please complete the "Board of Directors Application Form" and submit it to the District Secretary no later than December 12, 2022. The application may be picked up during business hours at the Burney Fire District office, or you may download it from our website at: www.burneyfire.org.
